Mr. Eldridge returned after the last resolution was adopted.

Mr. Eldridge stated that the bids went well with Hatch Brook Bridge. There were 6 bids which is a good amount of interest. The engineering firm reviewed and recommended that DOT allows the County to award to the lowest bidder. There has been very good feedback about this firm and now he is just waiting to hear back from DOT.

Mr. Eldridge also stated that he was surprised that there weren't more bids for Sand, Stone & Gravel. The Chairman agreed.

Other Reports:

Mr. Stortecky: Took the time to thank Mr. Eldridge for all the work he has done so far on the Hatch Brook Bridge.

The Chairman reminded the Board that Local Government Day will be April 3<sup>rd</sup> and 4<sup>th</sup>.

As there was no further business, motion to adjourn by Mr. D. Wilt, seconded by Mr. Stortecky. Carried.
