PERMIT: (UNDER SECTION 136 OF THE HIGHWAY LAW)

Permission is hereby granted to _____ to proceed as set forth and represented in the forgoing application, and at the particular location described therein, in accordance with the requirements specified and pursuant to the conditions and regulations whether general or special which are hereafter forth; all forming a part hereof; to wit:

CONDITIONS AND REGULATIONS

1. This permit shall not be assigned or transferred without written consent of the County Highway Superintendent.
2. The work authorized by this permit shall be performed in a manner satisfactory to the County Highway Superintendent.
3. Traffic: While working in the County Road right of way, at least one lane of traffic is to remain open at all times, unless and exception is made by the Highway Superintendent ahead of time. Proper use of flagmen, cones, barricades and construction zone signs, etc. must be maintained at all times while working in the right of way.
4. The said Permittee shall be responsible for all damages resulting in bodily injury, including death and/or property damage liability due to activities of the Permittee, its employees in connection with any act or omission hereunder: and does hereby expressly agree to indemnify and save harmless the County of Hamilton from any and all responsibility and liability arising out of, or resulting from, any act or omission hereunder.
5. The said Permittee hereby certifies that all persons concerned with the actual work under this permit are duly covered by Worker's compensation Insurance as required by provisions of Chapter 41 of the laws of 1914 and acts amendatory thereof.
6. The said County Highway Superintendent reserves the right to revoke or annul this permit at any time, should the said Permittee fail to comply with the terms and conditions upon which it was granted.
7. It is understood that should future reconstruction or use of the highway make changes necessary in the proposed facilities covered by this application and permit, the Permittee shall, upon reasonable notice from the Highway Superintendent make such changes at its own expenses within such time as may be agreed upon.
8. Installation by Boring: When feasible, the applicant shall install the new facility by the use of a boring machine and pushing the structure under the roadway.
9. Installation by Trenching: When boring is not possible and with the approval of the Highway Superintendent, trenching in the County Road will be allowed. Proper patching of this trench will be the applicant's responsibility.
10. Site Restoration: Upon completion of the installation, the work area is to be left in at least the same condition as prior to the work being done. If Hamilton County has to repair the site, the property owner shall be charged for all costs associated with the restoration work.
